County than previously thought. Read more on the COVID-19 community prevalence study (4/20/20).</p>
LOS ANGELES COUNTY HEALTH SERVICES & HEALTHCARE SYSTEM	<p data-bbox="396 1575 1528 1682">The Los Angeles County Department of Health Services (DHS) released its Projections of Hospital-based Health Care Demand due to COVID-19 in Los Angeles County. (4/29/20)</p> <p data-bbox="396 1719 607 1753">Key Findings:</p> <ul data-bbox="444 1757 1479 1871" style="list-style-type: none"> • The overall volume of hospital-based care for patients with COVID-19 appears generally stable, within the model uncertainty, consistent with prior predictions;

	<ul style="list-style-type: none"> • It remains unclear if current measures are adequate to lead to a reduction in illness, or if more effective measures will be required; • The number of hospital beds in Los Angeles County appears adequate to meet the projected need for the care of additional COVID-19 patients over the next 4 weeks; • The number of ICU beds in Los Angeles County, especially with the addition of new ICU beds through multiple efforts across the County, is likely adequate to meet the projected need for the care of additional COVID-19 patients over the next 4 weeks; and • The number of mechanical ventilators in Los Angeles County appears adequate to meet the projected need for the care of additional COVID-19 patients over the next 4 weeks. <p>For an update on the County healthcare system including data on available Hospital Beds, Ventilators, and Personal Protective Equipment visit the Department of Health Services COVID-19 Dashboard.</p>
COVID-19 TESTING	<p>As of today, approximately 145,000+ people in Los Angeles County have been tested for COVID-19. 14% of people tested have been positive.</p> <p>Testing is currently available only for people with the following symptoms:</p> <ul style="list-style-type: none"> • Cough, shortness of breath, fever, chills, repeated shaking with chills, muscle pain, headache, sore throat, a new loss of taste or smell. <p>Testing is available even if you are not experiencing symptoms, for the following front-line workers:</p> <ul style="list-style-type: none"> • First responders • Critical government personnel • Health care professionals • Grocery workers • Commercial, rideshare, and public transit drivers • Credentialed members of the media <p>Testing is available by appointment only!</p> <ul style="list-style-type: none"> • Schedule a Free COVID-19 Appointment <p>There are currently 35 active COVID-19 Testing Sites located across Los Angeles County. Visit our website to find a testing site near you.</p> <ul style="list-style-type: none"> • Testing Site Locations <p>Have questions regarding the testing process? Check out the list of Frequently Asked Questions for more information.</p>
PREREQUISITES FOR RECOVERY	<p>Easing Safer at Home</p> <ol style="list-style-type: none"> 1. Capacity in the Healthcare System – in hospitals and for routine health care, we need staffing, ventilators, testing and medical supplies.

	<div><div>2. Protections for those at risk – the elderly, those with underlying health conditions, live in institutional settings, are homeless, or don’t have access to services.</div><div>3. Increased capability to test, isolate and, quarantine – for anyone who has symptoms and ensure they receive timely results.</div><div>4. Maintain physical distancing and infection control - education, supplies, and guidance for businesses and public places.</div></div>																														
COVID-19 RELATED MEDICAL SHELTERING OPERATIONS	<div>New medical sheltering operations are currently being explored. To increase capacity at each facility, the County is recruiting and training personnel to serve as on-site managers. Wrap around services including transportation, food, laundry services and security services are available at each site.</div> <div>Current Medical Sheltering Locations:</div> <table><thead><tr><th>Location</th><th>Date Operational</th><th>Number of Clients</th></tr></thead><tbody><tr><td>David L. COMBATTING HUNGER:

The County of Los Angeles is committed to feeding our most vulnerable communities during the Coronavirus pandemic. We are mobilizing public agencies, nonprofits, and volunteers to provide meals to anyone in need during

	the long months to come. Visit https://covid19.lacounty.gov/food/ for more information.
SENIOR CARE:	<p>LA County and the City of Los Angeles are providing free meals to adults age 60 and older who are impacted by the COVID-19 crisis. Meals are provided at distribution sites or via home-delivered meals. View the map below for information about each site. Adults age 65 and older must send a family member, friend or caregiver who is under the age of 65 to pick up meals at their assigned site. Call 1-800-510-2020 to request services.</p> <p>For a list of locations currently in the Los Angeles County Elder Nutrition Program Click Here.</p>
